Subject: Request Leave from Hearing after November 1st

Mr. Butler,

Due to the extended nature of the upcoming PSC hearings for Docket 2017-370-E, I wanted to give you advance notice that I intend to request leave from the hearings after November 1st due to my regular work obligations.

I intend to be present all day on November 1st.

After the November 1st hearing, if possible, I would ask for my assigned seat to be made available for public use.

Thanks,

William Dowdey
